## OBJECTIVE

The purpose of this CV is to present a concise overview of my professional experience, expertise, and qualifications. I am a dedicated registered nurse with over 20 years of diverse clinical and professional experience, committed to advancing excellence in patient care. I strongly embrace the principles of inclusion, diversity, and equity within nursing practice and actively advocate for culturally competent, patient-centered care. Throughout my career, I have ensured that individuals from all backgrounds receive respectful, professional, and individualized care. My collaborative approach promotes a supportive and inclusive environment where patients, families, and colleagues feel respected, heard, and valued.
